## Hello, my name is...

Greetings,

Dave Ellis here. Most of you know me from events and Patrol Services. I recently moved out of the field and into the office. I will be helping Ashleigh out with S.T.O. accounts, overseeing Patrol Services, and providing support to the folks out at Salt River Fields. I will also be helping Frank out with training classes. I hope to see many of you in the office for any number of the exciting classes we have coming up here soon. Fear not, I will still be in the field from time to time and I am sure I will see many of you at events. If any of you ever have any questions for me or need anything don't hesitate to shoot me an [e-mail](#) or call me here at the office. I look forward to this new opportunity and working with all of you. Stay safe.

## The Annual T.E.A.M. Picnic is Here!

Our next picnic will start at 1500 on Wednesday, October 12th at Clark Park in Tempe. We all gather for a night of good food (bring a dish!), fun, and shenanigans. We will also have awards to hand out (funny and sincere) so make sure you stop by in case you have one waiting for you! We also usually have a pretty good mystery brew going on, so if you are planning on hitting the jug, make sure you have a sober cab home!

## Help Yourself

Although personality is a key ingredient for any successful employee, your image also plays a large part. You are in the public eye constantly, so you need to make sure you are projecting a professional image. Click [here](#) to read more.

Stress. It's the root of all evil. Or maybe just the root of most of everyone's problems. It's hard to avoid—I know it's always knocking on my door. Where does it go? Stress goes everywhere from your brain to your gut. It causes all kinds of reactions in your body. What can you do? Read [this article](#) to get some advice on how to tackle each one.

### FAQ SECTION

Q: I never get scheduled. I mean...they only call me about boring shifts and I don't like those. What can I do?

A: Unfortunately, we all have to work not-so-glamorous shifts at times. If you want hours, you can't pick and choose.
