Don't Forget!

I just want to remind everyone that we need volunteers for Healing Fields this month. Please call the office if you are interested in being scheduled for any of the set-up or tear-down. We are usually out there for 3 different days and tear down is usually when we need volunteers the most. Also, there a Veteran's Day event in November that we will also need volunteers for so please go ahead and let us know just if you would be interested.

FAQ

Q: If I need to call off for my shift and it's late, who do I call?

A: ANY time you call off, you need to call the scheduling pager number. Do NOT call the office or patrol services if you are cancelling a shift. The number to call is 602-219-8326. It will page one of the schedulers.

REMINDER!

Scheduling is done on a first call, first serve basis. The sooner you call in on Monday or Tuesday, the sooner you will get a call back because your name will be further up on our call-back list.

A hero is someone who has given his or her life to something bigger than oneself.—Joseph Campbell
